Established 1990

Donor(s): Avis M. Nye

Purpose: Recipients shall be both males and females who are NH residents and preferably residents of Manchester area and shall be those who pursue a liberal arts course in non-denominational college or university located within State of NH. Selected by trustee without preference as to race, creed, color, shall be individuals who in judgment of trustee have need of financial assistance and give promise of success as college or university students and as citizens. No award may be made in any year or years when in judgment of said trustee no qualified students are available. In making selection suggested but not directed trustee consult with principals of Manchester High Schools and heads of English and History Departments thereof. Awards shall be of not less than \$1,000 per year per recipient and shall be awarded one year at a time. Award to 1 recipient for 1 year shall not create obligation on trustee to make any further award to said recipient for succeeding years. Awards may be made by trustee for one year and for later years. Receipt of scholarship does not automatically qualify a recipient for scholarship in succeeding years. Any such decision shall be made by trustee on a year to year basis and shall be after considering all applications received. Award shall be paid directly to college or university of recipient's choice after he/she has been accepted by said college or university.
